HMBA + Team Program – Attending 2 nights per week: \$340/month*

HMBA + Team Program – Attending 3+ nights: \$350/month* (Best Value)

Team Program Only*

Team only – \$225 a month*

*Tuition does not include cost of games. Our teams compete in one and two day events and/or leagues which carry a separate cost. This cost per player, on average, ranges from \$60 in a slow month to \$100 in a busy month. These fees are collected prior to events as they come up. Every family is responsible for paying for their pro-rata share of the cost for the team to participate in the event.

Discounts for multiple children

Families with multiple children receive a discount for the additional children regardless of the program (HMBA or Team). The 2nd child receives a 25% discount and the 3rd child 33%, and the 4th child 50%. The order the discounts applied is by tuition rate, meaning the child with the highest level of participation (highest tuition rate) is considered the first child, the 2nd highest tuition is the 2nd child, etc.

Gym Fees

The practice of a special collection for gym rental fees is discontinued. The periodic gym allocation has been blended into the tuition rates above.

Additional Items Not Included in Tuition Amounts

Registration - \$50 (this is a one time, per family charge for families new to the program)

Uniforms – TBD (many factors determine the cost, but the general range is \$25 for a practice jersey and \$50-\$150 for a team uniform)

Insurance - \$15 per player per year
